Free Recruiting service:

College Sports Connection is dedicated to helping gain exposure for student athletes and helping them connect and be recruited by college coaches.

If you are interested in being recruited, gaining athletic scholarships and playing college sports this website is for you.

Visit: <http://www.collegesportsconnection.com/>

NCAA Eligibility:

Are you eligible to play college sports? Not everyone is eligible because they are a good athlete. Your academics are the key. Visit the NCAA site below to read about eligibility.

http://www.ncaa.org/wps/portal/ncaahome?WCM_GLOBAL_CONTEXT=/ncaa/NCAA/Legislation+and+Governance/Eligibility+and+Recruiting/index.html

Playing at the next level:

If you intend to participate in Division I or II athletics as a freshman, you must register and be certified by the NCAA Initial-Eligibility Clearinghouse.

Registration Process:

In order to be registered with the clearinghouse, you must complete the registration process found at www.ncaaclearinghouse.net

NCAA and NAIA Scholarships: What you need to know about the process of recruiting and scouts:

<http://www.collegesportsscholarships.com/football.htm>

Myths:

Not everything you hear is true about the recruiting process. Many myths become truth in a hurry. We assembled a page for you to read and answer any question you may have about the process. You may also contact Coach Flowe to ask further questions.

Responsibilities:

Your child and his future is a TEAM effort. There is nothing we would love to see more than your son moving on to play at the next level. However, we all have to pitch in and do our part to make that a reality. Below are some basic things each of us will do over your child's high school career.

The player/family is responsible for:

1. Hard work in the classroom. Be eligible to play football!
2. Display great character, work ethic, and commitment in the classroom, in the hallways, on the practice and game fields, and in the community.
3. Be a team player first! Nobody wants a selfish player.
4. Work hard in the off season, in the summer, and be an "all the time player". Don't disappear in the summer and then show up the first day of practice.
5. Display your ability and potential on every play that you are on the field. (practice or game)
6. Play any position you can! Find a way to be on the field. You need film to show colleges. Your athletic ability will be obvious to the scouts. If you play a certain position in high school, that does not mean you will play that in college.
7. Take the SAT/ACT as many times as possible.

-SAT (WWW.COLLEGEBOARD.COM) -ACT (WWW.ACT.ORG)

8. Meet all college level eligibility requirements.

-NCAA (WWW.NCAA.ORG) -NAIA (WWW.NAIA.ORG)

9. Complete the NCAA Clearinghouse Documentation.

- WWW.NCAACLEARINGHOUSE.NET

10. Complete the FAFSA Financial Aid Documents.

- WWW.FAFSA.ED.GOV

The coaches will do the following:

1. All student - athletes will be well coached and cared for each and every day.
2. All student - athlete prospects will have a highlight film made.
3. All student - athletes highlight films will be provided to colleges across the country, along with academic scores, test scores, and contact information for the player.
4. All student - athletes will be promoted by talking with college coaches that visit, calling college coaches, and showing film of players to college coaches.

5. All student - athletes will be promoted with a positive yet honest assessment of the player's ability, commitment, work ethic, and character to all college coaches.

Please remember, the coach does not get you a scholarship. All of the above information combined gets you a scholarship! The job of the coaches is to promote and advertise all prospective student-athletes. College coaches come to Parkview FIRST when they visit Gwinnett county because of the great academic and athletic reputation the school has. Make sure you are prepared and have what is needed to be a candidate.
