

Tour of Homes Carla Cooper & Phillis Miller

This is by far our biggest duty! We have several potential homes that we are following up with. We need several people to help. We need this committee to start work immediately! The tentative date for the tour will be Sunday, November 27th from 4:00 to 7:00. All Parkview Football moms will be required to work 1 shift at a house during the tour. We need committee members to help with getting the ticket together, gifts for the tour homes, advertising the event, just to name a few of the items involved with this committee.

Balloons at home games – Amy Marshall

Amy will need lots of helping hands on Friday afternoon of the home games to help with getting the balloons ready.

Locker Decorations – Tyran Thornton

Every mom is asked to come and help decorate the lockers on Thursday nights during the season. Tyran heads up the goodies we put in the lockers and will be collecting donations during the season. **Please bring donations (candy, crackers, chips) to the first Mother's Club meeting.**

Goodie Bags for Cheerleaders

We need someone to make goodie bags for the cheerleaders before a few of their competitions.

Brookwood Week t-shirts - Cindy Dunham

We provide a shirt for the players to buy and wear the week of the Brookwood Football Game. Cindy will handle taking orders for the shirts and delivering to players after practice.

Senior Night Leigh Hickman

(preparing “cups” & yard signs for field)

Leigh will collect the yard signs for the senior players and get cups that we use to put the players numbers in the fence before our senior night on October 28th.

9th Grade & JV Snacks

The 9th grade & JV players are fed before each game. Food is provided by chick-fil-a, but we collect snacks for the boys as well. This person would coordinate the volunteers to serve the boys on game day (around 3:00) and collect the snacks that are donated by player moms.

Banners/Special Decorating

This group will make signs/banners before big home games (Grayson, play-offs) and also may make banners to hang in the locker room. The Mother's Club will have a “banner painting meeting” on Tuesday, September 13th to help get some of the banners painted.

Sunshine Mom

This parent will provide goodies to any player that is injured during the season at practice or a game. We will collect \$3.00 from each mom at the first Mother's Club meeting to help with the cost.
